

# Retainers for Life Program

## Did you know?

Your teeth will continue to shift throughout your life. Wearing your retainer minimizes this movement and is an essential part of ensuring that you enjoy a long lasting, beautiful smile. Because we are so committed to giving our patients amazing smiles that last a lifetime, we offer a Retainers for Life Program. This program helps to keep you from ever needing to replace retainers at full price.

## Retainers for Life!

For \$600.00, you can enroll in our Retainers for Life Program, which will allow you to have your retainers replaced at no charge. This also includes a 3D scan of your teeth after braces are removed and a printed 3D model to make all future retainers from. This reduces office visits and impressions and allows us to make your retainers. The Retainers for Life Program fees are non-refundable or transferrable, if any tooth movement has occurred, the Typical turnaround time for delivery of retainers is 1 week; however, this may vary depending on practice and patient availability.

**I want Retainers for Life and agree to these terms and conditions.**
